BE A WINNER IN OUR GREAT NON-LEAGUE FOOTBALL GAME!

By Ian White

WELCOME to the 2010-11 Fantasy Non-League, the sixth season of this great competition where you can win prize money totalling £5,000.

In this Fantasy game we ask you to pick teams rather than players. The teams and leagues used are all Non-League and you gain your points based on the clubs' results.

£5 PER ENTRY

The Fantasy Non-League will again cost only £5 to enter, great value for a competition that lasts the whole season.

The entry deadline is Tuesday, August 31, but Fantasy Non-League will actually start on Saturday, August 7 when the Non-League season kicks off.

100 POINT EARLY BONUS

If you enter the competition before August 7 you will receive a bonus of 100 points.

This is double last year's reward and I believe that is fair because those who enter later have the benefit of seeing who the early runners are. (The 100pt early entry bonus will not count towards the first Manager of the Month award).

MANAGER OF THE MONTH

Each month we will name the top manager and a runner-up. The first award will be a joint one taking in August and September. In total there will be eight Manager of the Month awards, with the last one being for April 2011.

CASH PRIZES

The overall winner of the competition will receive £2,000.

Second place will be £500, third £300 and fourth £100.

There will also be a special £100 for finishing last, so why not enter two teams – one to win and one to lose!

The Manager of the Month will receive £150 and the runner-up £100.

HOW TO PLAY

There are a couple of small changes to the rules this season so please read them carefully:

1. You need to choose three teams from each of the seven leagues. (Giving you 21 in total). Each league is split into three sub-sections and you must pick one team from each sub-section. The leagues involved in this season's Fantasy Non-League are:
Blue Square Bet Premier.
Blue Square Bet South.
Blue Square Bet North.
Zamaretto Premier.
Ryman Premier.
Evo-Stik Premier.
The Mixture (This league is made up of four teams from each of the following six leagues: Zamaretto South & West and Central, Ryman North & South and the Evo-Stik North & South).
You can pick five substitute teams before the competition starts and put them on your entry form. (Put a 'Tick' in the entry grid for the 21 teams you want and an 'S' for your subs).

2. Points allocation, in all seven leagues.
League games:
Home win = 5pts + goals
Away win = 8pts + goals
Home Draw = 1pt + goals
Away Draw = 2pts + goals
Every goal scored = 1pt (This is only if your team wins or draws).
Goal Bonus Points = 5pts (This is awarded if your team scores four or more goals).
Cup games:
Home win = 10pts + goals
Away win = 14pts + goals
Home Draw = 1pt + goals
Away Draw = 2pts + goals
(Cup replays are scored the same as cup games, however goals scored through penalty shoot-outs will not carry points and will just be used to determine the winner).
Every goal scored = 1pt (This is only if your team wins or draws).
Goal Bonus Points = 5pts (This is awarded if your team scores four or more goals).
Bonus points for reaching various rounds in each Cup competition:
For reaching the FA Cup 1st round proper and each round beyond = 5pts.
For reaching the Quarter-Finals and each round beyond in all the other cups that are involved in the competition which are listed below = 5pts (two legged ties count as two separate games).

LEAGUE BONUS:
At the end of each month up to and including April 2011 the team leading each of the seven leagues will be awarded 5pts.

END OF SEASON BONUS:
All league champions and the cup winners will be awarded 20pts for winning their respective competitions at the end of the challenge in May 2011. (Please Note - You will only be awarded the League Champions and Cup Winners 20 bonus points if you picked the winners at the beginning of the season; not as subs).

The bottom two teams in each league at the end of this season's Fantasy will be awarded minus 20 bonus points. This could be a major influence in your chance of finishing bottom and claiming the cash that goes with it. It could also be a major problem if you are challenging for the top. (Please note – You will only be awarded the relegation minus 20 bonus points if you picked the teams at the beginning of the season).

3. The following Cup competitions will be involved in this season's Fantasy Non-League: -
Blue Square Premier - FA Cup, FA Trophy and League Cup.
Blue Square South - FA Cup, FA Trophy and League Cup.
Blue Square North - FA Cup, FA Trophy and League Cup.
Zamaretto Premier – FA Cup, FA Trophy and Southern League Cup.
Ryman Premier - FA Cup, FA Trophy and Ryman League Cup.
Evo-Stik Premier - FA Cup, FA Trophy and League Challenge Cup.
The Mixture - FA Cup, FA Trophy, Southern League Cup, Ryman League Cup and League Challenge Cup.

4. Transfer Window
You can select five subs and from these you can use a total of three. There will be only ONE transfer deadline and that will be at the end of December. Details on how to use your subs will be released nearer the deadline.

5. Fantasy Non-League will end after the final whistle of the final Non-League game of the season.

6. If a club folds I will take that club's position and select four clubs around that position in the league and you will be allowed to pick one club to replace the defunct club.

7. Please make a copy of your entry form and include a phone number or e-mail address in case I need to contact you.
