TEN ACRES

Ten Acres is the home of Eastleigh FC and The Silverlake Stadium. Over the past 5 years the Stadium, Clubhouse and other areas have been upgraded to a very high standard with facilities befitting the second best football club in the Southampton area.

The location is absolutely ideal being just off Junction 5 of the M27 and close to J13 of the M3 with Southampton Airport and Parkway mainline railway station very close by.

We have a special relationship with the Holiday Inn Hotel in Eastleigh and can offer a very competitive rate to include breakfast, subject to availability. Also, there are several hotels in close proximity to the club with the privately run Ellington Lodge hotel within walking distance.

The 3G all weather pitch facility is one of the finest in the South and is already being used by many professional football clubs and associations for training, coaching and tournaments.
